- Please know that the Selection Committee for the 2019 Nā Hōkū Hanohano Awards will review all entries for eligibility and placement in the various categories that will be awarded. It is the duty of the selection committee to create a fair and level field for all artists and entries. It is the responsibility of the artists, labels, or their representatives to assure that the application and all required deposit materials, including the required number of CDs, documentation of commercial availability, and the processing fee are submitted before the deadline. If any of these are not received by the deadline, the release will be deemed incomplete and therefore ineligible for placement on the preliminary ballot.
- In the genre categories, the Selection Committee – assisted by individuals who are knowledgeable in the genres - will be the final arbiter of which releases meet the criteria for those categories.

• **All entries and required supporting materials must be received by the HARA office by 4:00 PM on January 18, 2019. No extensions will be granted.**

Mahalo nui loa and we look forward to receiving your submission(s).
